

Healing Hands Chiropractic Patient Procedures during Covid19

MASKS ARE MANDATORY

- 1.** Patients must be ON TIME for their appointment. Your appointment is reserved for you and allows us to see patients safely while we operate through this pandemic. If you are late, we cannot guarantee you will be able to be treated.
- 2.** Make sure that you sanitize or wash your hands upon arrival to the clinic and that you answer and sign the Covid 19 Screening Tool located on the front desk.
- 3.** During this time we ask you come alone to your appointment. If you need to bring someone with you, they will have to wait in the treatment room during your appointment time or wait outside.
- 4.** Only bring the necessary items with you and please be respectful of your surroundings and the other patients inside the clinic. If you have items that need to be brought into the clinic, please keep them with you and do not leave them in the waiting area.
- 5.** Please let the clinic know if you are feeling unwell or need to reschedule your appointment. We will try our best to accommodate your situation.

Thank you for your understanding and co-operation.
