

## **Healing Hands Chiropractic Clinic Procedures during Covid19**

### **MASKS ARE MANDATORY**

- 1.** All staff will wear masks with the exception of being behind the partition at the front desk.
- 2.** We will maintain good hygiene and keep the rooms disinfected after each use.
- 3.** There will be more time between patients to allow for cleaning and less traffic through the office.
- 4.** At this time, we will not allow anyone to wait in the waiting area, unless social distancing can be maintained.
- 5.** All high touch points will be disinfected regularly throughout the day.
- 6.** All practitioners and staff will check their health daily before entering the clinic and if we experiencing any symptoms, we will stay home.

Thank you for your understanding and co-operation.
